### **REMARKS**

By this submission previously pending claims 21 through 37 are "withdrawn", and claims 18 through 20 are elected. These elections are identical to those filed on May 13, 2004. This submission only varies by including the following in the Listing of Claims section above: Claims 1-17 (Canceled). Such inclusion is submitted in response to the Notice of Non-Complaint Amendment (37 CFR 1.121) mailed on May 19, 2004. Further, the reported restrictions are not traversed.

### **Election/Restrictions Under 35 USC §121**

It is reported in the Office communication that this application contains claims directed to patentably distinct species in Group I claims 18-20, Figures 13-15 and Group II claims 21-37, Figures 10-12.

Referencing 37 USC121, it is directed that "Applicant is required... to elect a single disclosed species for prosecution...."

As specified on pages 2 through 4 above, Group I claims 18-20 are elected, and Group II claims 21-37 are withdrawn. This submitted election is made with the express reservation of all rights to pursue subject matter in non-elected claims in one or more subsequent patent applications. ¶
